EDUCATION

University of California, Los Angeles (UCLA)

Ph.D., Quantitative Psychology

Los Angeles, CA

Anticipated Jun 2031

Korea University

M.A., Educational Measurement and Statistics

Advisor: *Prof. Sehee Hong*

Thesis: *Estimating indirect effects in multilevel mediation analysis: a comparison of frequentist and Bayesian error-correction models*

Seoul, Republic of Korea

Feb 2026

GPA 4.46/4.5

Korea University

B.S., Mathematics Education

Seoul, Republic of Korea

Aug 2023

PUBLICATIONS

Published

- Lee, M., **Park, S.**, & Hong, S. (2026). Exploring predictors of students' mathematics self-efficacy using glmmLasso: Evidence from South Korea and Singapore PISA 2022 data. *Sage Open*, 16(3), 1–17. <https://doi.org/10.1177/21582440261475451>
- Lee, M., **Park, S.**, Cho, S., Pak, E., & Hong, S. (2026). Classification of student- and school-level profiles of test and academic stress in high school and their predictors using multilevel latent profile analysis. *Studies on Korean Youth*, 37(3), 167–192. <https://doi.org/10.14816/sky.2026.37.3.167>
- Lee, M., **Park, S.**, & Hong, S. (2026). The longitudinal reciprocal relations between high school students' self-esteem and academic helplessness using RI-CLPM: A multi-group analysis by gender and associations with parenting style. *Survey Research*, 27(3), 161–188. <http://dx.doi.org/10.20997/SR.27.3.6>
- **Park, S.**, & Hong, S. (2025). Classification of interpersonal trust and analysis of differences in subjective well-being using factor mixture modeling. *Survey Research*, 26(3), 27–59. <http://dx.doi.org/10.20997/SR.26.3.2>
- Lee, M., **Park, S.**, Cha, J., & Hong, S. (2025). A structural analysis of factors influencing teacher burnout: Application of PLS-SEM and importance-performance map analysis. *The Journal of Korean Teacher Education*, 42(2), 137–165. <http://dx.doi.org/10.24211/tjkte.2025.42.2.137>
- Lim, Y., Lee, N., **Park, S.**, Yoon, S., & Hong, S. (2025). Analyzing longitudinal changes and influencing factors of life satisfaction among older adults during COVID-19 using latent transition analysis. *Journal of the Korean Gerontological Society*, 45(1), 77–102. <https://doi.org/10.31888/JKGS.2025.45.1.077>
- Kim, J., Lim, Y., Lee, N., **Park, S.**, & Hong, S. (2024). Exploring the change trajectory, influencing factors, and differences in school adaptation of teacher-child conflict relationships using growth mixture model. *Journal of Learner-Centered Curriculum and Instruction*, 24(13), 335–357. <https://doi.org/10.22251/jlcci.2024.24.13.335>

CONFERENCE PRESENTATIONS

Oral Presentations

- **Park, S.** (Oct. 2025). *Estimating indirect effects in multilevel mediation analysis: Toward methodological-substantive synergy*. Presented at the 2025 Beijing-Seoul-Tokyo (BeSeTo) Conference, Seoul, Republic of Korea.
- **Park, S.** (Dec. 2024). *Identifying profiles of novice teachers' self-efficacy using factor mixture modeling*. Presented at the Five-University Annual Graduate Conference on Education, Tokyo, Japan.

- **Park, S., & Kim, J.** (Jul. 2024). *Classification of job satisfaction profiles and verification of influencing factors for transitions among high school graduate wage workers during the COVID-19 period using latent transition analysis*. Presented at the Anam Society for the Study of Education Summer Conference, Seoul, Republic of Korea.

Poster Presentations

- **Lee, M., & Park, S.** (Jul. 2026). *Estimating covariate effects in nonparametric multilevel latent profile analysis accounting for joint level-1 and level-2 classification error probabilities*. Poster presented at the 2026 International Meeting of the Psychometric Society (IMPS) Annual Meeting, Seoul, Republic of Korea.
- **Park, S.** (Apr. 2026). *Indirect effect estimation with error-correction models in multilevel mediation analysis*. Poster presented at the 2026 National Council on Measurement in Education (NCME) Annual Meeting, Los Angeles, CA.
- **Park, S.** (Nov. 2025). *Estimating indirect effects in multilevel mediation analysis: A comparison of frequentist and Bayesian error-correction models*. Poster presented at the Korean Society of Psychological Measurement and Assessment (KSPMA) Conference, Daegu, Republic of Korea.
- **Lee, M., & Park, S.** (Apr. 2025). *A two-step approach for variable selection and multilevel modeling using glmLasso: Exploring predictive factors on mathematics self-efficacy based on PISA 2022*. Poster presented at the Korean Society of Psychological Measurement and Assessment (KSPMA) Conference, Seoul, Republic of Korea.
- **Park, S.** (Oct. 2024). *Classification of interpersonal trust and analysis of differences in subjective well-being using factor mixture modeling*. Poster presented at the Korean Society of Psychological Measurement and Assessment (KSPMA) Conference, Cheongju, Republic of Korea.

HONORS & AWARDS

UCLA Psychology Dean's Scholar Award	Summer 2027
Best Poster Award , Korean Society of Psychological Measurement and Assessment (KSPMA)	Nov 2025
Brain Korea 21 Four Research Assistants , Ministry of Education	Mar 2024 – Aug 2025
Best Paper Award , Korea Employment Information Service (KEIS)	Jun 2024
Brain Korea 21 Four Outstanding New Student Scholarships , Ministry of Education	Sep 2023
Semester High Honors , Korea University	Spring 2020, Fall 2022

TEACHING AND MENTORING EXPERIENCE

Student Mentor , Seoul Metropolitan Government SeoulLearn: English and mathematics student mentor	Mar 2024 – Jan 2026
• Mentored underprivileged students in English and mathematics, providing academic guidance and emotional support to enhance learning outcomes and expand access to quality education	
Teaching Assistant , Korea University Korea University International Winter Campus (KU IWC)	Dec 2025 – Jan 2026
• Linear Algebra (IWC 112) • Introduction to Programming with Python (IWC 115)	
Workshop Assistant , Professor Sehee Hong's Quantitative Methodology Workshop Teaching assistant	Jan 2024 – Aug 2025
• Led tutorial sessions on quantitative methodology, ranging from introductory to advanced topics	
Pre-service Teacher , Dogye Computer & Information High School Mathematics pre-service teacher	Oct 2022
• Taught mathematics to 10th and 11th-grade high school students	
Student Mentor , Seoul National University High School Mathematics student mentor	Apr 2022 – Jul 2022
• Taught mathematics to 11th-grade high school students	

PROJECTS

Survey Assistant, Ministry of National Defense

Oct 2023 – Dec 2023

- Surveyed military personnel in army units and conducted data coding for the measurement of the Spiritual Readiness Index of the Republic of Korea Armed Forces

CERTIFICATES

Teaching Certificate of Mathematics for Secondary School, Ministry of Education, Republic of Korea

Teaching Certificate of Education for Secondary School, Ministry of Education, Republic of Korea
